Indonesia 2022

IS PART OF PAMERINDO SUSTAINABILITY PROGRAMME

SUSTAINABILITY AT COSMOBEAUTÉ INDONESIA

We know sustainability is increasingly important to our attendees and exhibitors, as well as to our market as a whole. Running an exhibition gives us lots of opportunities to improve our impacts environmentally, socially and economically in our region. We want to make our event more responsible and play a role in helping our markets improve its own sustainability through connecting people with the networks and knowledge they want to help solve the big challenges in our sector.

This year, we initiate to implementing sustainability program at Cosmobeauté Indonesia, our aim is to continuously improve the impact on the natural environment. We hope by implementing sustainability in our events, it will give an impact massively on environmental changes that have begun to be polluted. We believe with all exhibitors, attendees, stakeholders that they care that our events are run responsibly and accelerating sustainability is the most important thing to do as a first step in preserving the environment.

Visit our website for more details: www.cosmobeauteasia.com/indonesia/sustainability/

Would you like to work with us on the sustainability of our event? Would you like to share your own story and efforts? Got an idea? Contact the event team or reach out to Informa's sustainability team for more information: sustainability@informa.com
