# The Annual Gathering of Spa & Wellness Industry!

The Malaysian Association of Wellness & Spa (MAWSPA) will be hosting a series of events in Cosmobeauté Asia this year, inviting all spa operators, therapists, and aspiring spa entrepreneurs to join in on the various networking & learning opportunities this July at Putra World Trade Centre.

## Network & Learn From Malaysia's Leading Spa Experts!

Being the body that represents the wellness & spa treatment community in Malaysia, MAWSPA frequently organizes networking sessions & seminars for its members, to take part and discuss industry happenings, and this July is no exception. Stay tuned for Dialogue Session with the ruling bodies, first preview to Spa Hospitality Program, ISO Standard for Spas, Wellness Program for university graduates and more.

## Unity Through Massage: Urutan Malaysia

Urutan Malaysia, which was launched in October 2017, is a new concept that combines various massage techniques indigenous for Malay, Chinese, Indian, and all the other ethnicities in Malaysia, into one unified concept. MAWSPA, the key driver behind the concept, will demonstrate this truly Malaysian massage this July!

## Sound Therapy: A New Avenue of Healing?

Sound therapy is a complementary medical treatment that uses sound waves generated from instruments such as Himalayan singing bowls and gongs to stimulate healing within the body. First introduced in Malaysia in 2015, sound therapy is gaining momentum recently as consumers are seeking respite from KL's hustle and bustle. Mawspa will conduct a session to explore potential opportunities for spa operators to tap into the sound therapy experience.

## Fashionable Branding For Your Spa: The Spa Fashion Show

Your spa's uniforms are more than just clothes; they represent your brand, and in some cases, even be part of the entire spa's experience itself! The Spa Fashion Show is now back in Cosmobeauté Asia this year, and you're invited to be inspired from our top Spas in Malaysia!
